Rob,

I want to let you know that I am going to go tomorrow morning to watch the processing of a sedflume core. Rooni is coming too, just for the morning, and since you authorized only one of us to go, I will go on my own time.

Thanks

Rafa

Rob, Bill

Would the CPG support Rooni and/or Me watching the coring and testing of sedflume cores in Newark Bay at the end of the week?

Regards,

Rafa
